ANNUAL REPORT

Checking In...Our Long Range Plan

In 2016 the library staff and board continued to be guided by the library's 2015-2020 Long Range Plan. Steady progress continues on the goals the plan established: securing long-term sustainable funding adequate to meet the community's current and future needs; making the best use of the library's present space to provide a welcoming and efficient library facility; maintaining a trained and highly motivated staff that will consistently deliver professional, knowledgeable and outstanding service; supporting the development of digital literacy skills in the community.

Progress in 2016 includes:

- A successful library referendum in September ensures the library is adequately funded.
- Building care and improvements include: Conversion to natural gas, installation of a generator, replacement of the air conditioner in the children's room, up-grading of the building's security system.
- Technology improvements include: static IP established for improved system stability, copier upgraded to include scanning capability, improved virus protection on the children's computers.
- On-line patron registration implemented making it possible for Carmel residents who are unable to visit the library to have access to library resources including eBooks, audiobooks, music, movies, and magazines.
- The Friends of Reed Library held their first book sale. Proceeds from the sale were used to sponsor the very popular summer family movie program.
- Regular library programming was expanded: increased adult art class offerings, a variety of children's art programs in partnership with the Nowodworski Foundation for Cultural and Educational Exchange, special science enrichment programs, Literacy Connections bilingual and multi-generational summer program.
- Use of both physical and digital items increased.

Stop in! We'd love to see you.

In 2016...

46,000+ visits were made to REED LIBRARY last year.

Storytimes provide early literacy and learning skills, essential for future school success.

282 new library users received library cards!

6,553 individuals attended 586 programs.

Program Sponsors

The library is a busy place! Science programs, art classes, history presentations, animal visits and music concerts are among our offerings, many sponsored by local businesses or individuals.

If you would like to sponsor a library program, please take a look at the Sponsor Information brochure under "Support" on our homepage.

The library offers for loan a large selection of the latest books, CDs, DVDs, magazines, audio books, eBooks and museum passes as well as streaming and downloadable video, music, magazines and audio books.

Public computers and wireless internet access as well as a copier, scanner and fax machine are available.

We host a continuous schedule of programs and special events targeting literacy enhancement and community learning. To see everything that's happening at Reed click **Calendar** on our homepage or visit us on **Facebook**.

Don't miss our e-newsletter! Sign up on our homepage for the latest happenings and useful information
