### **Aloysius P. Stedina**

Al Stedina, a retired attorney specializing in International Trade and U.S. customs matters, has been a resident of Putnam County since 1978 and the Hamlet of Carmel since 2000. Al has been a board member of the Literary Union of Carmel and Reed Memorial Library for over eighteen years, serving as Treasurer/Vice President of Finance for most of that time. Prior to moving to Carmel, Al resided in Kent where he served as Board Member and President of the Gipsy Trail Club.

### **Loretta Burke**

Loretta was born and raised on Long Island and has been a Putnam County transplant since 1992. Loretta has worked for the Carmel School District since 1993. She has served as the Secretary to the Board of the Reed Library since 2014. Loretta, an avid reader, volunteers for the library as the leader of the Reads-at-Reed Book Club. Her plans to retire in the near future will allow her to give more of her time to library programs. Loretta believes the school district and the public library services, available to tax payers in the community, speak loudly for the homeowners and contribute to their property values. She loves living in the Hamlet of Carmel and is looking forward to continuing her service to the Reed Memorial Library as a trustee in the future.
