WELCOME!

This special edition e-letter focuses on all the ways the library can come to you, think of it as the library at your fingertips. Though we love seeing you, you do not have to come to the library to pay us a visit.

www.carmellibrary.org opens the door.

Welcome... carmellibrary.org is fully accessible thanks to ReciteMe. ReciteMe offers accessibility and language options which enable you to customize carmellibrary.org in a way that works for you (bigger font, different language, it will even read to you!). Click ReciteMe on the upper right of our homepage to get started.

New to the library? Let's get you a library card...
