## WHUD STORM CENTER

It's that time of year . . . slippery roads and winter weather can make travel tricky.

Unscheduled library closings and delayed openings will be announced on our homepage and Facebook page, by e-letter and on the WHUD StormCenter. Sign up for StormCenter texting [here](#). As soon as a closing is announced, you'll receive a text.

The Libby app makes borrowing and enjoying ebooks and audiobooks easy and convenient. Now Libby is making big changes to improve accessibility for all readers. Screen reader support (Libby will be happy to read to you), adjustable text size, adjustable playback speed for audiobooks are just a few of the accessibility features recently added. You can learn more [here](#).

*Thank you to the Adriaance Memorial Library for this and all their great tips!*
